

# WE UNDERSTAND THE PIPE, FLANGE AND FITTING INDUSTRY. CALL US.

*Finding Solutions Each & Every Time*

In addition to being a leader in stainless, aluminum, and high nickel flat products, Arbor/Metals Inc. also provides a variety of Pipe/Flange/Fitting (PFF) products. We have a long history of providing solutions to a number of industries including marine, petrochemical, refining, power generation, and other related markets.

With locations across the country, years of industry experience, and expertise of PFF products, we are a one-stop source that can handle all your inquiries and orders.

Our PFF line of products include pipe, flanges, fittings, and other industry-related products you may need.

Our highly knowledgeable and responsive staff is ready to deliver.

And as always, your emergency is our emergency - we're available 24/7/365.

**// Metals Inc. has provided our stainless plate for years, and now another one of our divisions has found that they are very competitive in what they buy - stainless fittings and flanges. Win-win! //**

- Petrochem customer
